It is the time of year again, to prepare for the RCCG NA Annual Convention. I will like to take this opportunity to thank everyone that contributed to the success of the 2008 convention. It was truly glorious because of your effort physically, spiritually, emotionally, and prayers. The children were charged with excitement, and the teachers were prepared to meet the challenge of taking the children to a higher commitment to the Lord. We are counting on the grace of God on your life to join the Children Ministry in preparing and partaking in the ministry where God has called us during the 2009 convention.

Last year we had a total of about 57 volunteers, individuals served on the bases of shifts and some did put in a full day's work. Volunteers signed up for their preferred area of responsibility. Children's church provided two days of ministration: Thursday was a full day from 8:00 to 12:00 midnight, where children were ministered to in their various classes. Class were divided into various age groups; 4-5, 6-8, 9-10 and 11-12 respectively. The setup for Friday was different; it was an open session which enabled the children to have the convention style experience, with a high praise session with Minister Isha Miller and Pastor Ricardo Miller ministered to the children. During the alter call some children gave their life to Christ. The session ended with a celebration at 1:00 p.m. to enable volunteers prepare for the Festival of Life.

Consequently, we are at it again, another year and by God's grace another amazing time it will be "In His Presence". So join us again as we challenge ourselves, and the children to grow in wisdom, acquire skills and have integrity to be transformed and transform their community. Please join hands with us to make this year great, as we heed to our calling – "for perfecting the saints".

Pastor Wapaemi Wariboko.
